Dears Sirs:

I acknowledge receipt of your letter, dated June the 9th together with half-tone illustrations of various of the California Gold coins, for which I am deeply grateful and would very much appreciate the photograps of the specimen of the $50 octagonal slug to which you refer.

Very truly yours

Dear Sir:

I am very sorry that there has been such a delay in sending you the photograph of the Octagon $50.00 gold piece. I have been away the large part of the summer and the Museum has been closed and it is only just now that I have been able to have this work done. Please accept this photograph with our compliments.

Very truly yours,

Curator
